C.N.RAMACHANDRAN NAIR, J.

W.P. (C) No. 18065 OF 2007

Dated this the 22nd h day of June, 2007

JUDGMENT

Petitioner challenges Ext.P1 order, whereunder, Addl. District Magistrate approved drawl of electric line as proposed by the K.S.E.B. Even though the petitioner stated that petitioner wants to construct a building, as of now, there is no building. The line approved is only weather proof line which is insulated and benign. Therefore, I find no ground to interfere with the impugned order. As and when the petitioner constructs a building, there will be a direction to the 1st respondent to maintain sufficient clearance for the electric line from the building.

The writ petition is disposed of as above.
